Technical drawing of a mechanical assembly, likely a pump or motor component, shown in a cross-sectional view. The drawing is rendered in black lines on a white background, with a grid pattern visible. The assembly consists of a central shaft with a rotor or impeller attached, surrounded by a housing or casing. Various parts are labeled with alphanumeric codes, and there are several small inset drawings showing details of specific components. The drawing is oriented horizontally, with the main assembly extending from left to right.
